Copy of letter No.9 of 23-24 dated 9th June 1924 from the Deputy Commissioner, Kolar District, to the Revenue Commissioner in Mysore, Bangalore.

---

With reference to your letter No. D.24/23-24 dated the 25th April 1924 and D.O. reminder dated the 5th instant, in the matter of the necessity of keeping open the tank maintenance works till the weeding or even harvesting season, i.e. till August or September 1924, for local labour, I have the honour to state that from my personal experience during tours and by conferring with the Sub Division Officers and the Amildars I am of opinion that the programme of relief works should be kept open till the end of September next though -- there are indications that the demand for work will slacken. Every thing depends on the behaviour of the South West Monsoon. The mungar rains have on the whole been satisfactory. Care will be taken to see that works are not started unnecessarily.
